

I ♥ NY

My friend suggested a women only weekend, and I thought—How can I squeeze *THAT* in? Then she said—It's been *YEARS* already. If not now, *WHEN?*

Long story short, we did it. All four of us checked out the website—WomenOnlyWeekends.com—and found lots of fun things we could do together in New York's Finger Lakes—museums, spas, shopping, winery tours, hiking, restaurants, and terrific overnight package deals! We spent a long-overdue weekend dining out, sleeping in, and catching up as only women friends can.

Life is still hectic. But after that weekend with my friends, I feel refreshed, reconnected, and recharged. Experience—

WOW!
